

American Lincoln Part

American Lincoln Part - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized in the industry as durable and strong machinery that suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is now also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These kinds of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln can provide parts, warranty service and equipment for these scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where results and efficiency count. Lately, this floor scrubber model has been used by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
