

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy providing products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills along with their understanding of cleaning applications, along with owners' strong desire to significantly reduce expense through productivity gains.

When required, the personnel within TREK and its many dealer members in both technical support and parts would be accessible. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machine that ultimately lowers your cleaning cost. The service, the product and the price all work together to make them the leader in the industry.
